

CERTIFICATE OF REACH
Regulation (EC) No. 1907/2006 concerning the Registration,
Evaluation, Authorisation and Restriction of Chemicals (REACH).
For all products supplied by our company, and stating whether
the substances are on their own, or preparations or products which contain
a substance, according to terminology introduced by REACH.

The company **F&F FILIPOWSKI sp. k.** based in 95-200 Pabianice, Konstytucyjowa 79/81 (hereinafter the "Company") represented by Rafał Filipowski knows their obligations under the Regulation (EC) No 1907/2006 of the European Parliament and the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) and is committed to continuously monitoring and surveillance as well as to inform without delay, COOPERATING COMPANIES of any events that may affect the substances they supply. At present, Company does not manufacture, import or is not a distributor of preparations or articles containing chemical substances covered by REACH.

The company has taken all necessary steps to ensure compliance with the REACH regulations, for all substances as such or contained in preparations or in articles sold to the cooperating companies (hereinafter called "substances" regardless of whether they are on their own, or are used in the preparation or article).

Accordingly, the Company undertakes to show that substances are not subject to any restrictions and that it does not appear on the list of substances, which, depending on use, potentially subject to registration. Otherwise, the company shall notify the cooperating company and, if necessary, propose suitable alternatives.

The company will take all necessary steps to ensure comprehensive and accurate information (in particular on SVHC) together with the required documents, in conformity with the rules, and authorizing the use of the substance in accordance with the principles of safety. In addition, the Company that certifies that it has the status of a MANUFACTURER and in relation to the Substance, undertakes to:

- a) the transfer of all technical and organizational activities undertaken within its structure;
- b) provide cooperating companies with details of registration, evaluation, authorizations granted and restrictions applied;
- c) attach to this certificate a list of products containing the substances listed and to send, if necessary, updated versions of the list to cooperating companies.

We hereby confirm that our products comply with the requirements of Regulation (EC) No. 1907/2006 (REACH), in accordance with the Candidate List of SVHCs published by ECHA on **4 February 2026**. The product does not contain any substances from this list in concentrations exceeding 0.1% by weight.

The company certifies that the information given above is correct.
